PETITIONING THE COURT

To incorporate the violations contained in this petition in future proceedings with the violations previously reported to the Court on 05/24/2018.

The probation officer believes that the offender has violated the following condition of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

3

Special Condition # 14: Defendant shall abstain from the use of alcohol, or comply with other limits on alcohol use imposed in addition to the standard condition to refrain from excessive use of alcohol.

Supporting Evidence: On February 20, 2018, Zenon Simiano signed his conditions of supervision relative to case number 4:14CR06017-EFS-1, indicating he understood all conditions as ordered by the Court. Specifically, Mr. Simiano was made aware by his U.S. probation officer of the condition requiring that he refrain from any unlawful use of a controlled substance.

On June 1, 2018, Mr. Simiano violated the above-stated condition of supervision by consuming marijuana. On this date, the offender reported to the U.S. Probation Office and provided a urine sample which tested presumptively positive for THC. Mr. Simiano claims the positive urinalysis is a result of use on or about May 12, 2018, which he previously admitted to.
